Name of Traveler: Laura Schlapp

Employing Office/Committee: Senator Pat Roberts

Private Sponsor(s) (list all): Woodrow Wilson International Center for Scholars

Travel date(s): August 7th-10th, 2017

Note: If you plan to extend the trip for any reason you must notify the Committee.

Destination(s): Palo Alto, CA & Seattle, Washington

Explain how this trip is specifically connected to the traveler's official or representational duties:

I advise Senator Roberts on cybersecurity issues, and participated in the Wilson Center Cyber Lab last year. It is important to understand this fast-paced environment. In this space, particularly, we see industry out-pacing laws and federal regulations. This trip would help better understand what industry is doing in regards to advancing technology, securing consumer data, protecting vulnerabilities in software and fighting cyber crime and cyber attacks. As cyber continues to be a growing and important part of our lives, Congress needs to be informed of the landscape to better protect its citizens and bring the bad actors to justice. Silicon Valley and companies like Boeing and Amazon, are quickly becoming the leaders in this space and I believe it is important for Senator Roberts to have information regarding their efforts in cyber, and to continue to build relationships with private industry.
